

Présentation de l'édition 2009

The 2009 edition of the Rally of Morocco, will gather professionals and amateurs drivers in the south of Zagora from the 24 to 30 October 2009, to share their passion for adventure, sport and wide open spaces of Africa. The Rally of Morocco has positioned itself as Rally to enable crews to complete their preparation for 2010 events, or to discover, at their own pace, the Cross-Country Rally. Whatever the category, there will be no race exclusion, only time penalties are awarded. The Rally of Morocco 2009: a rally 100% FUN !

- * An event open to all: Bikes, ATV, SSV, Cars, Truck
- * 6 steps in the South of Zagora
- * The final of the FIM World Championship for Cross-Country Rallies for Bikes - Quads
- * A central bivouac for assistance simplified
- * An sport adventure to share with friends and family (accompanying people)

As the Final of the FIM World Championship for Cross-Country Rallies (BIKES and QUADS), this high-level race will allow drivers to deliver the ultimate battle for the title.

The Rally of Morocco is a competition open to all ! Amaters drivers will share the tracks with the professional teams and also try the scratch !

For the second consecutive year, the Rally of Morocco, opens his tracks to quads and bikes registered in original configuration with the category ENDURO CUP: a unique opportunity to introduce you to rally-raids in safety. The Enduro Cup makes possible your first experience behind a steering wheel in Africa without significant mechanical preparation. The organization sets up a gaz refueling every 90 km.

AUTOS (T1, T2, Open Class), TRUCKS (T4), SSV, a one and only scratch ! and a separate classification for each category.

So whatever the type of vehicle, it will be possible to take part in the Rally. The teams will be competing for the best time, and will have to demonstrate their driving skiles, and their art of navigation to reach the final podium.
